Well here it is October and that means **Fall** is in the air! Or at least we can hope so, as we know Central Florida can still remain hot and humid for several more weeks. But having just returned from a quick trip to Colorado, I can tell you that it definitely is fall-like out there, and there was even **SNOW!**

I made a quick trip out to **Vail**, site of one of our **March** trips, to see what was going on. If you have not been to Vail, you really owe yourself a trip. The village is wonderful, with lots of shopping and restaurants. There are spas galore. Oh and there is skiing too... **Vail** is legendary with its wide open slopes and back bowls. And new for this winter: a **brand new, state of the art, 6-person chair lift complete with wifi and heated seats!** So c'mon, what are you waiting for?? Contact **Jim Inglis** and get on-board. And let me know if those heated seats really work!

After my visit to **Vail**, I headed over to **Winter Park**, where our spring break trip is going. And let me tell you, we're going to have fun! **Winter Park** is building a brand new **tubing hill**. There will be a **s'mores night** around the **campfire**. There's also an **ice skating** pond, snowmobiles and, oh yes, skiing and 'boarding! This trip is filling up quickly so you really don't want to be left out. **Time to sign up NOW!**

Our other trips are going quickly too. **Park City** and **Snowmass** are both **sold out**. **Heavenly/Lake Tahoe** and **Jackson Hole** are both filling quickly (Heavenly has 5 air seats left!). Contact their trip leaders and come join the fun!
