our trips will be officially open for business. Copper Mountain, Snowmass, Telluride, Park City, Garmish and Big Sky! **NOW** is the day to come to the "Dub" and sign up for the trip you've been wanting. We will have door prizes and the Big Four of them all, **\$200 trip credit** vouchers (you do not have to be present to win a trip credit, but you do have to be there for the door prizes - drawing will be held at 4:45). We will have on hand our tour representatives from Ski.com (Laurie Vest) and SportsAmerica (Mike Agnew). Complimentary appetizers and a cash bar.

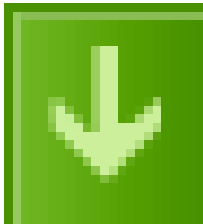

All of our trips are posted on our website, www.orlandoskiclub.com. Trip Leaders are taking applications and accepting deposits NOW! So if you can't make the 18th, all you have to do is mail your deposit check with trip **and** membership applications to the Trip Leader. These trips are going to sell out very fast! All are very popular destinations, so remember, if you're on the fence now, you very well may be disappointed if you wait until September or October.

And here's a couple of notes about these trips: 1. **Copper Mountain** - our holiday trip, led by Donna and Mike Torkos. Our early trip, leaving on Dec. 26. Celebrate New Year's Eve in style...by skiing or boarding! What a Holiday present to give to the family or yourself!

2. **Snowmass**, our January Florida Ski Council trip. Your trip leaders are Christina Moore and Bob Kovalcik. Ski and party with over 400 fellow Floridians from all of our sister clubs. Always a

blast!

3. **Telluride**, an authentic mining town, quaint and yet hip at the same time. Home of the Telluride Jazz Festival, the skiing is great and the scenery spectacular. Dale and Rhonda Ulmer will be your trip leaders and have a great time planned!

4. **Park City**, Utah...our February FSC trip, led by Terri-Lynn Smith and Jill Zajkowsky. Once again, you'll be surrounded by fellow Floridians and the parties planned will have you wishing the trip could go on and on.

5. And then there is **Garmish, Germany**. Led by Kathryn Hardage, Garmish is located outside Munich. The mountain scenery is spectacular, the lodging promises to be very authentic, the side trips to Munich. This trip will be something to always remember.

6. And then we have **Big Sky**, closing out our 2014 season. Led by Moose and Mindy Boehm, Big Sky is...well...BIG! Uncrowded, big open slopes and lots of them!

But let me not forget that coming up on Sunday, **August 11th** is the annual **Orlando Ski Club bowling** outing, at the Aloma Bowling Center. You need to get on this TODAY by contacting Bob Mackey, the event coordinator. The information is located on our website. This is a fun, singles or family event, full of laughs, spills, and...well...to paraphrase a popular slogan, "What happens when bowling, STAYS with

bowling!". So get off the couch and come join us! I'll be there (and I haven't bowled in about 10 years, so you KNOW you'll get some great shots of me lying face first in the gutter!).

So that's it. Not much this month huh? Yeah right. I can't wait, and I know you can't either for the 2014 season to begin, so get on down to Dubsdread and our kickoff on the 18th. I look forward to greeting each and every one of you!

Best Regards,

Earl Schuette, President
Orlando Ski Club
