Well! Did you get out to our 2014 Ski Season Kickoff last month? Because if you didn't, then you missed out on not only a really great time, but also the opportunity to sign up for the trip of your choice! Because by the time the afternoon was over, very few of our trips had openings!! The afternoon was a resounding success, and I do believe that if we had another 10 openings on all the trips that we could have filled them. We gave away four \$200 trip credits to four lucky winners, as well as door prizes provided by Peter Glenn, Ski.com and SportsAmerica. So...if you were holding out, guess what? You need to act fast to secure a spot! Here are highlights of two of the trips with space available:

Copper Mountain, CO, Dec. 26 to Jan 2: *New Year's Eve on the mountain, complete with fireworks, bands and a great party set up by your trip leaders, Mike & Donna Torkos. Great condos, located only a short walk to the American Eagle lift. A tubing night, dinners, après ski, welcome party. Something for EVERYONE: couples, singles, families. Imagine seeing the fireworks at midnight lighting up the sky over the mountains. I guarantee you one thing: you WILL NOT see that in Central Florida (and no, Mt. Dora does not count!).*

Park City, Utah, Feb. 22 to Mar 1: *our February FSC Epic Adventure. That's what I call it, because this isn't your normal ski trip! Why? Well, being an*

Ski Trips are great
family fun!

so book one!

You don't have to ski

to enjoy a ski trip!

*FSC trip, you are there not only with your fellow **Orlando Ski Club** members and your illustrious trip leaders Terri-Lynn and Jill, but you also have the company of 200 other Florida skiers from all of our sister clubs in Florida! With arrival party, a themed FSC party, on-mountain lunches, après events, you simply cannot go wrong with this trip!! So what the heck are you waiting for???*

And not to be forgotten: last month about 24 of us went bowling at Aloma Bowling Center, to determine who would be King of the Keglers. Well, after the pins had settled and the balls were returned to their racks, none other than Robin Dibiasio stood atop Ten Pin Pinnacle with a 200+ game, besting all others. Congratulations, Robin! We all headed to Friendly Confines to celebrate Robin's triumph. As for the rest of us, well, you know, like Cub fans always say: "Just wait until NEXT year!"

*Lastly, because I hate to be a kill joy, we do have a bit of By-Law business at our September trip sales meeting, which is **Wednesday, Sep. 11** at **Dubsdread** in the **Florida Room** from **6pm to 8pm**. We will take 15 minutes to address some changes to the By-Laws which were voted on by the Board of Directors: 1) add a clause wherein the **OSC** indemnifies the Board members (this is standard with most organizations, but we have never had it); 2) change the By-Laws to be gender neutral; 3) change the minimum required number of Board meetings from 6 per year to 4. We will have a summary of the changes at the door when you come in next week. And please, do come! We will have all trips on display with trip leaders ready to take either your deposit, or add your name to their wait lists. In addition, we do have **two, \$100 trip credits** to give away. You don't want to miss a chance at those, so I know I'll see you there!!*
