**Dear Member,**

Happy New Year!

Every year, after the holiday season is over, **Orlando Ski Club** members allow their thoughts to wander west to the ski slopes. It is about this time when their anticipation starts building, with expectations of exquisite snow and future fun with friends, family, and possibly new friends they have yet to meet. Some of us skiers and snowboarders find comfort going back to our favorite ski resorts. There are others of us that want to ski a new resort each year, or just try something different. I hear both reasons every year from various club members. However, in

August or September when we signed up for our ski trips, I also hear from each member how difficult it is to wait until ski season begins. Well, ski season is now here! Your wait is almost over!

There are a few of us who have already ventured west. In previous newsletters, I stated that the Club's December ski trip to Aspen would be a wonderful experience; trying to imagine Aspen decorated for the Holiday Season. Well, my fellow skiers, Aspen did not disappoint! It was exceptional!!!

Now add to that glorious setting the wonderful job the Club's newest trip leader, Steve Clark, did in planning the extracurricular activities. There are memories, new friends and stories to last a lifetime. We stayed in a luxury hotel (Limelight), went on a ghost tour, great après, experienced an incredible concert by the all-girl AC/DC cover band "Hell's Belles", and soaked up the atmosphere only Aspen can offer. Wow!!! I did have only one concern during this trip. It was the possibility that our Trip Leader, Steve, might soon leave our group to begin a new life as a groupie for the lead guitarist of the band;-) Fortunately for us, our love struck trip leader stayed with our group to the very end (you will need to talk to the other trip participants to get details). I was hearing over and over again from all the trip participants what a great time they were having in Aspen! Thank you, Steve!

This is also the time of year when all of the Club's trips have been finalized. All financial commitments by the Club and trip participants

must be met and the list of trip participants pretty much set in stone. Only the Club's last ski trip to **Big Sky, Montana**, is still open until **January 14th**. This is the date of the **OSC Social** at the **Ale House** in **Winter Park** (corner of 17/92 & Lee Rd.) **6:00pm - 8:00pm**. Although it might be possible to go on one of the Club's other ski trips, it may take some extraordinary effort or event, such as booking additional travel expense, finding lodging, or possibly a cancellation from a current trip participant. So, this is your last chance to get on an **OSC** ski trip!

The Club does have several Year-round Activities planned for the next few months. These activities include:

**Orlando Magic Game** - Friday, January 16th

**Bahama Cruise** - Friday - Monday, April 10-13th

**Broadway Show, "Pippin"** - Saturday, April 25th

These events are just another way of meeting and getting to know your fellow Club members.

Finally, within the next few months, the **OSC** Travel Committee will start planning the ski trips for the 2016 ski season. If there is a resort you would like to go to next year, please let Kathryn Hardage (V.P. of Trips) know your desire. The Club is always willing to hear your recommendations or suggestions.

Our next event is the January "Social" at the **Winter Park Village Ale House** on the 14th. As a social, we will be gathering around the **long tables in the bar area**. You can almost feel the excitement building for the Club's next ski trip - to Telluride! Let the fun begin!!!

I hope to see you at the Club's social on the 14th. Until then ..

Many Happy Dreams of Falling Snowflakes and Groomed Slopes!
