"Today is your day; your mountain is waiting so get on your way." Dr. Suess. Do not miss out on another fantastical Big Sky Adventure and join the Magical Mindy Tour to Big Sky, MT. With one lift ticket you will access 5,800 acres, the Biggest Skiing in America. There are 4,350 jaw-dropping vertical feet, and over 200 named trails. With over 400 inches of annual snowfall and lots of elbow room, the vastness of the Big Sky and the unique scenic beauty will envelop your senses and revitalize your soul. Oh the trails you will ski and the things you will see! Once you strap on your skis and snowboards to explore the mountains, you'll feel as if this spring skiing paradise was reserved exclusively for you. Ski Big Sky and discover acres of terrain on three immense mountains that provide you with enough variety and expanse that standing in lift lines is an anomaly to Big Sky visitors. This trip ALWAYS sells out so don't wait because your magical adventure is about to begin. Sometimes you will never know the value of a moment until it becomes a memory." - Dr. Suess.
