Beaver Creek: is a feast for the eyes, a delight for the senses. The influence of renowned resorts such as Switzerland's St. Moritz, Italy's Cortina, and Spain's Val d'Aran led to the creation of a unique mountain resort full of excitement and village luxury. The resort comprises three villages, the main Beaver Creek Village, Bachelor Gulch, and Arrowhead to the west. Originally designed to accommodate skiers of all abilities, Beaver Creek Mountain continues to welcome and challenge those who visit her slopes. From the gentle groomed runs of Strawberry Park to the rugged glades and bump runs of Grouse Mountain, Beaver Creek is enjoyed by a variety of Nordic sports enthusiasts.
