Kyoto - We'll first venture to Kyoto for a 3 night stay at the 4 star Kyoto Royal Hotel & Spa. Kyoto is a beautiful traditional Japanese city and is the original imperial capital of Japan. It features countless temples, shrines and other historically priceless structures to visit. This pre-ski destination includes transfers by private motor coach and a 1/2 day city tour.

Niseko - next is Niseko, Japan's #1 snow resort, located in Hokkaido, the northern most island of Japan. The resort has 4 interlinked ski resorts on the mountain and is renowned for its consistency and quality of powder snow throughout the winter. Averaging around 50 feet of snow each season, Niseko is famous for its wide open powder bowls and tree runs. There are 30 lifts and 3 gondolas covering the mountains which have 30 miles of runs.

We'll be staying at the 4 star Hilton in Niseko Village with ski-in/ski-out accommodations. The gondola and chairlift are right in front of the hotel. Additional activities include cross country skiing, snow shoeing and snowmobiling. The base of the mountain is at 1,000 feet so very little altitude adjustment is necessary. Experience the Spa and Onsen at the hotel.

Tokyo - After our five night stay in Niseko, we'll be traveling to Tokyo with an orientation tour of Tokyo in route and staying at the 4 star Grand Prince New Takanawa Hotel. Don't miss this once in a lifetime opportunity to experience the cultural uniqueness of Japan and marvel at their incredible hospitality.
