Sun Valley is the birthplace of the modern American ski resort – a combination of thrilling skiing and boarding, luxurious lodging, and way cool après-ski choices. An additional enduring element to the experience: bright, clear, ski days basking in the sun (don't forget sun screen). This combination has kept Sun Valley in the forefront of popular resorts and continues to attract avid as well as beginner skiers and boarders. Sun Valley offers over 70 runs, a 3,400 foot vertical, and more uphill capacity per skier/boarder than any other ski area.

A complimentary shuttle service provides easy access to the slopes and town. Ski Sun Valley and explore après-ski activities including an Olympic class skating rink, miles of groomed cross-country ski trails (Sarah and I have to give that a go-join us!), a sleigh ride dining experience, retail therapy, casual and fine dining, and relaxation around the fire at any one of the resort's many cozy (and crazy, if you like) establishments for tunes and libations.

The vibe is relatively low key, however meets the highest standards of service and comfort. Join Bob and the Boss' excellent adventure and create an unforgettable ski vacation at a remarkable luxury ski resort!

Lodging: The Limelight Hotel, Ketchum welcomes all to stay and play at the newest hotel in the Sun Valley area. The original Limelight Hotel, in Aspen, is adding the Sun Valley location (presumably, just for the Orlando Ski Club), for the 2016-2017 season. Located on Main Street, the Limelight will open in December and offer the warm, friendly atmosphere and high-value amenities that have made the Limelight Hotel brand a lauded resort hotel experience. We're invited to enjoy a well-stocked complimentary continental breakfast daily, including proteins, cheeses and a rotation of hot breakfast items. A Happy Hour (discounted cash bar and food) in the Lounge, 3 to 7 PM daily, features live music, hand-tossed specialty pizzas, and local craft brews. Complimentary transportation to town, the resort (about 6 minutes), and the airport is available. Our stay includes all housekeeping gratuities, the aforementioned breakfast, a couple of hot tubs and heated swimming pool, all phone calls, full service ski valet services, ski lockers for each guest room, in-room Wi-Fi internet, in-room coffee, and daily newspapers in the lounge.

Mountain Stats: Base 5,750' & Top elevation, 9,150'; over 70 Trails; 36% beginner, 42% intermediate, 22% advanced. Over 2,000 acres of terrain, Bald Mountain offers 13 chairs & a gondola; plus 30 acres of glade skiing & boarder runs, including adventure trails.
