Hello everyone! How are we doing as we enter into the early stages of Fall? Like the air up north, our trip sales have been crisp, with most of our destinations having only a handful of openings. So I hope that you have your trip all lined up! If you do not, then let me suggest that you consider Park City, Utah.

Park City is a gorgeous destination, only 30 minutes

from the Salt Lake City airport, great skiing, wonderful historic town, PLUS the fun of having Florida skiers all around you, as this is our Florida Ski Council February trip. Terri-Lynn and Jill, your trip leaders, have been here before, so they know all the ropes of the slopes! You are sure to have one of the best weeks of your life, so if I were you, I would be on the phone or email, or come to our meeting at Dudsread on the 9th and sign up! You...will...not...be...disappointed!

Last week **OSC** was down at Peter Glenn for their annual ski and boarding sale. Some great prices on some of this year's hottest styles (I picked up a Spyder fleece I simply could not live without!). Heck, even David Smith was there updating his apparel (which will be met with a great sigh of relief by those who ski with him). So if you need to update yours, or just need clothing and/or equipment, get on over to Peter Glenn at either their International Drive or Altamonte Springs locations and stock up! Say "Hi!" to Gary or Steve and let them know you are from the **OSC**.

Now, I want to talk briefly about our December meeting. Technically our last sales meeting, more importantly in

Ski Trips are great family fun!

so book one!

December we host the *United States Marines* as part of our **Toys For Tots** campaign. **Toys For Tots** is a local effort by the Marine Corps to collect new, unwrapped toys for local area children whose parents could otherwise not afford them. I want you all to mark you calendars for that night, Wednesday, 12/11, from 6 pm to 8 pm at Dubsdread. Please make plans to attend. We ask that you either **bring a new, unwrapped toy** (the ages for Toys For Tots are 3-16, so your toy does not have be a Barbie or something for young children), **OR contribute a \$10 donation at the door** that will be given to the **Marine Toys for Tots**, who will be attending. As a retired Marine who helped with this campaign for over 10 years in this area, I know what a difference it makes to local families. So I appreciate your support, I know the Marines will, and I hope that we will have a great turnout!

Have a wonderful month. Don't let the zombies, goblins and monsters get you on Halloween!
