**OSC Annual Elections**

**President's Message:**

So they say that April showers bring May flowers. Well then, if that's the case, we're in for some mighty big bouquets, because as I type this it's raining cats and dogs. Which means the ski season must truly be over! Which means we have all summer to prepare for the next season! Don't you just love the circle of ski season life? Your Club does not rest, as I've stated before. We are always looking ahead one to two years. Later this month, at the Florida Ski Council SpringVIEW weekend, we'll be voting on the 2016 FSC North American destinations. Our own Travel Committee will be meeting next week to firm up our 2015 destinations. So even though thoughts of skiing/snowboarding recede from your mind, they are always at the forefront of ours, your Board of Directors.

Which leads me into my next topic: the upcoming **elections**, to be held at **Dubsdread on Wednesday May 14**. As with any organization, it is extremely

important that we stay involved in the running of our Club by voting in the elections. Our five elected Executive Board positions are one year terms, so each position comes up for re-election. One of the privileges as a member of the **OSC** is your right to vote and be heard at our elections. And, your club is especially interested in anyone willing to run for the offices of Treasurer and Secretary. If you are interested in running for an elected Board position, please contact the **Nominating Committee Chair, Debbie Ferwerda**, at [dferlaw@cs.com](mailto:dferlaw@cs.com) (click [HERE](#) to view the **Board Member Interest form-Elected Positions**; click [HERE](#) to view the **2014 Sample Ballot**). At the actual Elections Meeting we will take nominations from the floor. And viola! We will have a new Board for the 2014-2015 season. So please, make every effort to attend on the 14th. This is YOUR Club and YOU make it work!

Speaking of your Club, if you didn't know it, I have a way to save you money! All **memberships expire on May 31st**, except those members who joined the club in 2014 and did not participate in any 2014 ski trips. If you renew prior to the 31st, you receive a discount! Early renewal discount levels can be found on the [OSC Membership Renewal form](#). So when you come to the May meeting, quickly and conveniently you can renew your membership right there at the door! You kill two birds with one stone: you get to vote AND save money by renewing. What a deal!

Hey, last days to get in on the **Wine Tasting** at **Tim's in Windermere** on the **17th**. Greg Blalack is the man to call/email. We already have 30 coming, why would you want to be left out? Check out the flyer on our website and then give him a call.

I want to wish the warmest of Mother's Day wishes to all our moms out there. Make sure you give mom a call, an extra measure of hugs, a nice dinner or outing. Always remember, without moms, we wouldn't be here!
