**President's Message:**

Hello everyone and welcome to my last newsletter. Yes, after two years I have stepped down. Mr. Bob Mackey, currently our Treasurer, was elected President for the coming year, and I hope that you will join me in welcoming him to the position. Happily, I pass my crown and scepter to him. Ahhh and a lofty position it is, one steeped in tradition and responsibility...like writing a monthly article for the newsletter and keeping Board members from falling asleep during Board meetings!

I have enjoyed the last two years immensely and have taken great

satisfaction in seeing the Club rebound from the recession to begin to grow again. This past year, we had over 240 members head out on trips, and our membership has increased to over 300! Our wine tasting had almost 40 people in attendance and the Boston trip is sold out. All this leaves me with a great feeling about the future of your Club.

And speaking of the future, we're getting closer to the full roll out of our new website and ability to take credit card memberships and trip payments. We are currently beta testing the membership process and will install our two 2015 FSC U.S. trips very soon. Stay tuned for Bob's announcement in the near future as to when this will be available. We know that many of you have been asking about this for years, so we're very pleased to say that we heard you and we're very close.

This past weekend I and seven other **OSC** Board members and trip leaders attended the annual Florida Ski Council SpringView conference. We had a great weekend of meetings, an expo and networking with the other 15 clubs that comprise the FSC. Of note, we approved our 2016 FSC domestic destinations, and you're hearing about them here first! **January, 2016**, the FSC voted to go to **Whistler/Blackcomb** in Canada and **February, 2016**, a new destination for the FSC and the **OSC: Mt Bachelor** near Bend, **Oregon!!** Mt Bachelor is unique in that it is an extinct volcano. How cool is that? You ever ski a volcano? Well, you'll get to 20 months from now!!

Hey and on a final note before I close, we've moved this month's social from Dexter's to **Ale House - Winter Park Village on 17-92** and changed the date from the 11th to the **18th**. WE WILL BE SERVING APPETIZERS!! Yes, you'll be able to chow down on Zingers and spinach/artichoke dip, among other

things. We have our own front room, so why don't you come down and see me off?? This is a brand new Ale House, located about one block north of the Winter Park Village, a quick hop, skip and a jump off of I-4. They say they're in some sort of new development with a fancy name I can't pronounce, so if you see it, you'll know you're in the right place: **Winter Park Village ALE HOUSE, 1251 Lee Rd, Winter Park, June 18th from 6 PM to 8 PM.** Be there, Aloha
