UPCOMING EVENTS

OSC Happy Hour Social
Wednesday
November 12th

Dear Member,

As I write this newsletter, Central Florida is experiencing its first chilly day. For native Floridians, and former northerners whose blood has thinned, it is time to bring out the jackets. For us skiers and snowboarders, we start checking our favorite ski resorts' websites to find out how much snow is on the ground. I keep hearing and reading predictions of an awesome year for snowfall. As with any ski trip, there are no guarantees on the weather. However, everything is looking "really" good!

The **November 12th OSC "Social"** (6-8pm) will be at **Miller's Ale House in Winter Park Village**. There will be a few tables present for the Trip Leaders still selling their trips. Please come out and enjoy the evening with your fellow Club members. Please make

sure you mark your calendar for the Club's **December 10th Social**, also at the Ale House. This social will be our annual "**Toys for Tots**" event. There will be more on this in the next newsletter.

I invite everyone to look over the Club's list of Year-Round activities. We had a great time last month doing the Winter Park Sunset Cruise (thank you, Sarah, for leading this event!). There was perfect weather for this fun activity. The next event on the calendar is the **Magic Game, Friday, January 16th**. This will be another fun event prior to the majority of our ski trips. And, do not forget about the musical **Pippin, Saturday, April 25th**.

For those who still have not signed up for ski trips, there is still room on the **Crested Butte** and **Big Sky** trips. I know (because I'm the trip leader) that there is a female participant looking for a roommate on the Big Sky trip. There is also a male traveler in need of a roommate on the Crested Butte trip. The town of Crested Butte is about as charming as a town can get. Even Budweiser thought so, turning the town into Bud town for a recent promotion. The Big Sky mountain resort is HUGE, with no lift lines. You can ski more at Big Sky in a morning than you usually ski all day at someplace else.

So, get out those ski jackets. Get those skis and snowboards tuned at Peter Glenn. And you better start getting into shape for those awesome fresh snow days on the slopes. It is going to be a great year for skiing. If you are not yet convinced it will be so, come to the November social and experience the
