UPCOMING EVENTS

Dear Member,

Even though ski season is over, many of your fellow Ski Club members are busy working, preparing for next year. That is the next "Club Year." Our Club "Membership Year" is June 1 to May 31, but our Club "Business Year" is July 1 to June 30. Our 1st VP of Trips, Kathryn Hardage, has been out to Whistler last month to attend the annual Mountain Travel Symposium. Attendance at this symposium allows the Club to learn about anything new at the various ski resorts, special deals the various ski resorts might be offering, learning about the

program and activities other ski clubs utilize, etc., which could benefit our club. Our Florida Ski Council Delegate, David Miller, is helping us get ready for the Florida Ski Council Spring Meeting, the last weekend of this month. The Travel Committee is busy finalizing the ski trips for next ski season, by checking every detail, getting the costs just right, and generating the trip flyers. Busy, Busy, Busy!

This month's **OSC** meeting will be held at the **Dusdread Golf Club**, (off Par Ave.) **Wednesday, May 13th, 6:00pm - 8pm**. This month, the Club is meeting to hold its annual election of officers. The "good news" is that your Club President (The Snow Dog) has almost made it through the first year of his presidency (six in dog years). It has been a fun and busy year. The "bad news" is that I will be president for another year, unless you want to run against me :-). The current slate of candidates for elected positions are:

President - Bob Mackey

1st VP/Ski Trips - Kathryn Hardage

2nd VP/Year Round Activities - Rhonda Ulmer

Treasurer - Greg Blalack

Secretary - Mindy Boehm

We certainly should thank all those willing to volunteer some of their valuable time to work on activities that benefit our fellow club members. One member has been doing several duties on behalf of the **OSC**. Shelley Daniel has been sending out the newsletter every month, maintaining the membership

database, advertising the monthly meetings via Facebook and Meetup, Trip Leader to Crested Butte this past year, and (Oh YES!) will be the Trip Leader for the Mt. Bachelor 2016 Ski Trip. Shelley is also currently Treasurer for the Florida Ski Council. This is just way too much for one person, even someone as "superhuman" as Shelley. We are looking for someone to take over a few or her duties, like maintaining the **OSC** membership database. Since this is now done via the **OSC** website, it really is not much work. Please consider volunteering for this duty, or other **OSC** duties. It is a really good way to get to know many of the members and build friendships within the ski club.

The Club has had numerous members doing yeoman's work for many years, usually without much fanfare. One member in particular joined the Club in 1999, started being a Trip Leader in 2004, then Travel Committee member, then VP of Trips, and then President of the Club. This individual got called up for service with the US Marines during his presidential term, where he was stationed in Hawaii. (YA! ROUGH ASSIGNMENT!) When he came back after his deployment, he rejoined the Travel Committee and became President again. Of course, I am talking about Earl Schuette. During his deployment in Hawaii, Earl and his wife, Laura, fell in love with the islands, and made up their minds to move back to Hawaii someday. Well, their wishes are finally coming true. Laura found a job and moved to Hawaii this last fall, while Earl stayed here to complete his retirement requirements at Lockheed Martin. Earl will be flying out to Hawaii on May 22nd. This month's meeting will be the last we see of Earl for a long while.

I hope you will be attending the **OSC** Meeting at **Dusdread Golf Club** in College Park (on Par Avenue) **Wednesday, May**
