UPCOMING EVENTS

Dear Member,

It is the time of year when I, as President, receive numerous emails from **Orlando Ski Club** members. They are eager to find out what ski trips the Club will be doing next season and when they can sign up. I am always excited to hear from my fellow club members, and try to answer their questions as best I can. Be assured, the Club's Travel Committee, led by Kathryn Hardage, is continuously planning, negotiating, and trying to find out answers to questions you have not even started thinking about. The best way to summarize the activities of the Travel

Committee is planning, planning, asking the hard question, and planning some more.

This last weekend (May 29-31) your Club's Florida Ski Council delegate (David Miller), members of the Travel Committee (Kathryn and myself), and four Club Trip Leaders (Debbie Ashworth, Steve Clark, Terri-Lynn Smith and Shelley Daniel) spent the weekend at the Florida Ski Council (FSC) Spring Meeting. We met with representatives of numerous ski resorts and other Florida clubs to discuss the upcoming ski season and future 2017 ski season. That is not a "typo". We start planning FSC ski trips over 2 years in advance, and vote on the 2017 North American destinations during this spring meeting. FYI, the **2017 FSC trips** are: **January - Beaver Creek, February - Banff/Lake Louise**. There was also some discussion about a late summer 2017 ski trip to New Zealand. WOW!

SAVE the Date! **August 23rd, 3-5pm, @ Dubsdread Golf Club**, is the **OSC Ski Trip Sales Kick-off** event. Since we have an early season ski trip to **Vail, Dec. 10-14**, the Club has already started selling this trip. If interested **contact Steve Clark, SClark2575@cfl.rr.com**. Kathryn is finalizing the Club's Ski Trip Summary Sheet for all the trips next season. This summary sheet denotes basic information about the trip and base price, and should be on the website soon. However, if you have a favorite **OSC Trip Leader**, give them a call and find out where they are going this coming season.

Fellow skiers, the Club is in real need of a newsletter person (I am still attempting to relieve Shelley on a few of her numerous duties). It "really" is not much effort and takes so little of your time. The newsletter is all by email. The primary responsibility is to take my monthly Pres message, review it and insert it into the newsletter. There are a few email blasts, Meet-up info, Facebook update, and whatever your heart desires. It requires someone with some computer competency. Please consider helping the Club out in this area.
