Ranked #2 ski resort in the U.S. by snowpak.com. Nestled at the end of a box canyon in the San Juan Mountains of Southwest Colorado, Telluride sits against the most beautiful backdrops imaginable. Surrounded by the greatest concentration of 14,000 foot peaks in North America, this charming and authentic town is far removed from the hectic pace of everyday life. The eight-block historic district is lined with colorful Victorian homes, elegant restaurants and boutiques, fine art galleries and plenty of Old West saloons. A 13-minute gondola ride links the town to the European inspired Mountain Village, with its unsurpassable scenic ambience and ski-in/ski-out lodging. While the mountain is known for its challenging terrain, 38% of the 1700 acres is rated intermediate and 24% beginner. There are plenty of corduroy cruisers, meandering green and blue runs, moderate bumps, along with the steep and deep if you want.

LUXURY LODGING: The Peaks Resort & Spa, closer ski in/ski out lodging located just off the Mountain Plaza, includes the ALTEZZA Restaurant, ski valet, fitness center with numerous classes and state-of-the-art equipment, indoor/outdoor pool and lap pool, full-service Spa and salon, as well as spectacular views of the surrounding San Juan Mountains It’s a short walk or shuttle to the shops and restaurants in the “mountain village” and the free gondola that takes you to the historic town of Telluride for shopping and dining.
