Ranked #2 ski resort in the U.S. by snowpak.com. Nestled at the end of a box canyon in the San Juan Mountains of Southwest Colorado, Telluride sits against the most beautiful backdrops imaginable. Surrounded by the greatest concentration of 14,000 foot peaks in North America, this charming and authentic town is far removed from the hectic pace of everyday life. The eight-block historic district is lined with colorful Victorian homes, elegant restaurants and boutiques, fine art galleries and plenty of Old West saloons. A 13-minute gondola ride links the town to the European inspired Mountain Village, with its unsurpassable scenic ambience and ski-in/ski-out lodging. While the mountain is known for its challenging terrain, 36% of the 2,000+ acres is rated intermediate and 23% beginner. There are 148 trails, plenty of corduroy cruisers, meandering green and blue runs (longest run 4.6 miles, Galloping Goose), moderate bumps, along with the steep and deep, for those in the pack that like to run wild! **What a great place to Howl at the Moon!**

LUXURY LODGING: The Mountain Lodge, ski in/ski out lodging, rustic charm that radiates serenity and luxury. Featuring warm Western design, personal balconies, and modern lifestyle amenities. Designed with soft leather furnishings, rich wood accents and warm interiors, our mountain accommodations are an oasis of alpine elegance. The Lodge has ski lockers & storage, fitness center, outdoor heated pool & hot tubs and lap pool, The View Restaurant, laundry facilities, as well as spectacular views of the surrounding San Juan Mountains. It’s a short walk to Village Market and Gondola, free Lodge shuttle to the shops and restaurants in the “mountain village” and the free gondola that takes you to the historic town of Telluride for shopping and dining.
